MODO BEARD

The beard has always influenced philosophers, religious men and writers, assuming different synonyms and meanings over the centuries. Giving a quick glimpse of what it has represented and still represents for man, we realize that beards are constantly influenced by popular culture and trends and have thus been handed down from generation to generation up to the present day. In any way it is interpreted, the beard is still an art and as such it must respect both aesthetic and hygienic standards. The use of specific products allows you to keep it clean, soft and easy to comb.

SHAVING AND FINISHING GEL: formulated to protect sensitive skin and allow the blade to glide during shaving. How to use: apply a small layer on the part to be shaved or re_ned, massage for 30 seconds. Shave and rinse. Conclude the treatment with Modo Beard pre_aftershave.
