REBITALIA PROFESSIONAL COSMETICS S.R.L. – www.rebitalia.it info@rebitalia.it

JAURONIC LIFTING INTENSIVE. Latest generation all in one product for hair structure. The term that is commonly attributed to it is "plumping lifting" because hyaluronic acid, elastin, collagen and amino acids have the function of filling where there is a lack of these proteins and the hair, chemically treated, exposed to the sun , to sea and swimming pool water, they often appear fine to us, have a dull, rough appearance, are devoid of nerve. 50ml.

HOW TO USE: Dose the product on the length of the hair, after washing with Nutry keratin intensive bath; put on a cap and go under a heat source for 5 minutes (normally it does not require rinsing), then spray nutry keratin milk elixir and proceed with styling. Excellent at home, 7-8 drops, evenly distributed on the hair, before blow-drying. The hair will immediately become voluminous and plumped. Also ideal in the airbrush of the oxygen machine (if the product is too thick, given the high concentration of active ingredients, dilute with a few drops of water or tonic for the face).

INGREDIENTS: aqua-water, propylene glycol, panthenol, hydrolized collagen, hydrolized elastin, centella asiatica extract, humulus lupulus extract, triticum vulgaris extract, sodium hyaluronate, carbomer, triethanolamine, sodium dehydroacetate, imidazolidinyl urea, 2 bromo 2 nitro propan 1,3 diol.

MILK ELIXIR INTENSIVE. All-in-one spray mask with exceptional and instantaneous moisturizing and antistatic properties. Precious and modern components make it an excellent softener, polisher, repairer, detangler, volumizer for curly and coloured, frizzy, fine hair prone to falling out, thermal protection of hair dryers and straighteners, prevention of split ends, sun protection for the summer and the swimming pool. 150ml.

HOW TO USE: Before drying, spray thoroughly the right amount of product and proceed to the desired hairstyle. How to revive curls, spray the product on slightly damp hair and leave to dry naturally.

INGREDIENTS: Aqua, c13-14 isoalkane, propylene glycol, cetrimonium chloride, panthenol, glycerin, hydrolyzed silk, polysorbate 20, cetearyl alcohol, ethylhexyl methoxycinnamate, quaternium-80, dimethiconol, parfum, hydrolyzed keratin, phenoxyethanol, ethylhexylglycerin, citric acid, sodium gluconate, benzaldehyde, hexamethylindanopyran.
